

11.0 LIST OF PREPARERS

The people who were primarily responsible for contributing to prepare this DPEIS are listed in Table 12.0-1.

Table 12.0-1 List of Preparers

Name	Discipline / Expertise	Affiliation	Role in Preparing DPEIS
Alspach, Sue	Biological Administrator	Miami-Dade DERM	Cooperating Agency Planning Partner
Besrutschko Peter	Environmental Engineer	USACE	HTRW
Browder, Joan	Biologist	NOAA/NMFS	Habitat Evaluator
Cintron, Barbara	Biologist	USACE	Internal Report Review
Evoy, Jean	Botonist	Miami-Dade DERM	Planning Partner
Dalrymple, George	Biologist	Everglades Research Group, Inc.	Habitat Evaluator, Wildlife
Dalrymple, Nancye	Biologist	Everglades Research Group, Inc.	Habitat Evaluator, Wildlife
Davis, Steve	Biologist	SFWMD	Habitat Evaluator
Hofstetter, Ronald	Biologist	University of Miami	Habitat Evaluator
Jackson, Jim	Planner	SFWMD	Cooperating Agency; Report Review
Kraus, Mark	Biologist	National Audubon Society	Habitat Evaluator
Larsen, Paul	Engineer	Larsen & Associates, Limestone Mining Coalition	Cooperating Agency; Economics
Mazzotti, Frank	Biologist	Everglades Research & Education Center	Habitat Evaluator
McCullough, David	Archeologist	USACE	Cultural Resources
Miller, Gerald	Ecologist	USEPA, Region IV	Cooperating Agency; Water Quality
Obeysekera, Jayantha	Engineer	SFWMD	Hydrology
Porter, William	Biologist	USACE	EIS Preparation; Study Manager, Habitat Evaluator
Reick, Brad	Biologist	USFWS	Cooperating Agency; Endangered Species, Habitat Evaluator
Trexler, Joel	Biologist	Florida International University	Habitat Evaluator

13.0 LIST OF RECIPIENTS

The draft *Programmatic Environmental Impact Statement* has been sent to numerous local, state and Federal agencies and private interest groups for review and comment in accordance with the Council on Environmental Quality's *National Environmental Policy Act* regulations and related Corps guidance. Comments received during the review will be considered in preparing the final study documents.

The following agencies, groups and individuals were sent copies of the draft *Programmatic Environmental Impact Statement*.

Federal Agencies

U.S. Department of the Interior

 U.S. Fish and Wildlife Service

 National Park Service

 U.S. Geological Survey

 Bureau of Indian Affairs

U.S. Environmental Protection Agency

U.S. Department of Agriculture

 Natural Resources Conservation Service

 Forestry Service

U.S. Department of Housing and Urban Development

Federal Emergency Management Agency
U.S. Department of Commerce
Coast Guard
National Oceanic and Atmospheric Administration
U.S. Department of Transportation
U.S. Department of Justice

State Agencies

Florida State Clearinghouse - Office of the Governor
Florida Division of Historical Resources - SHPO
Florida Department of Environmental Protection
Florida Game and Fresh Water Fish Commission
Florida Department of Agriculture and Consumer Services
Florida Department of Transportation
South Florida Water Management District

Native American Tribes

Miccosukee Tribe of Indians of Florida
Seminole Tribe of Florida

Local Governments

Monroe County
Miami-Dade County
Broward County

Groups

National Audubon Society
Florida Audubon Society
National Wildlife Federation
Izaak Walton League of America, Inc.
Florida Wildlife Federation
Florida Defenders of the Environment
The Wilderness Society
Sierra Club, Florida Chapter
Tropical Audubon Society
Everglades Coordinating Council
Nature Conservancy
Defenders of Wildlife
Environmental Defense Fund
League of Women Voters
Trust for Public Lands
Friends of the Everglades
Florida Power and Light
The Environmental Coalition
Florida Sportsman Conservation Association

South Florida Agricultural Council
Florida Biodiversity Project
Florida City / Homestead Chamber of Commerce
World Wildlife Federation

Individuals

A list of individuals who received the draft Environmental Impact Study is on file in the Jacksonville District of the U.S. Army Corps of Engineers at the address shown on the cover page of this document.

14.0 ANNEXES

- A Biological Opinion
- B 404(b)(1) Evaluation
- C Florida Coastal Zone Consistency Determination

15.0 APPENDICES

- A Hydrological Modeling Report
- B Water Quality Report
- C Vegetation and Soils Mapping and Analysis Report
- D Wildlife Studies Report
- E Land Use Report
- F Issue Advisory Team Report on Alternatives
- G Socio-Economics
- H Comments and Responses to DPEIS
- I Practicability of Non-Lakebelt Alternative Sources of Construction Materials
- J Draft Permit Template
